During the internship, Krshay was exposed to the production of timber based products, like Electric Stringed Musical Instruments, Furniture etc. He observed various elements of the OEM trade such as understanding customer requirements, planning production, technical aspects of some manufacturing processes, quality parameters etc.

Krshay was an enthusiastic and focussed intern. He showed genuine interest in business functions, as well as attempting to understand the larger environment within which businesses operate. He keenly engaged in hands-on manufacturing activities like sanding, painting & assembly.

It was our pleasure to have Krshay intern with us and we wish him all the best.
