This is to certify that Mr. **Krshay Venkatesan**, a student of KC High International School, Chennai has successfully completed his internship as a "*Research Intern*" at the Center of Excellence in Sports Science and Analytics (CESSA), Indian Institute of Technology Madras.

During his tenure, he worked in the area of IMU based stride segmentation, signal processing and estimation using sensor fusion techniques such as Mahony and Madgwick filters, contributing to the project "IMU based human gait analysis". His internship commenced in July 2025, and concluded in March, 2026. Notably, Mr. Krshay Venkatesan continued working on the assigned tasks even when he had regular school classes, which reflects his dedication and commitment.

His conduct during this period has been sincere and commendable.

I extend my best wishes to her for all future endeavors.
